**That's Right...
Christmas in July!**

The GA's are collecting school supplies for needy children in our area. School begins on Monday, August 22nd, so look for those sales on supplies. The GA's need backpacks and supplies to fill them.

Please place your supplies in the collection boxes in the foyer as soon as possible, so the girls can get them ready for students by August 15th.

If you would like to make a donation, please make your checks to NWBC and designate them for Christmas in July.

Our Youth Need Your Help!

We will have our "Back to School" outreach event specifically targeting students at Buchholz High School right after the school bell rings on Friday, August 26th. It's our youths' way of telling students at Buchholz that we love them and that they are welcome on our campus. We still need the help of our church family for:

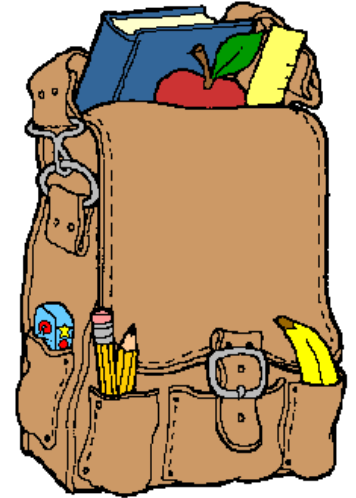

- Workers: We need people to supervise the inflatable games, greet students, and more. If you can donate about 3 hours of your time on that Friday afternoon, please let me know as soon as possible!
- Prayer: Pray that students will hear about this event and attend. Pray that God will impress upon the hearts of the un-churched and lost students that not only does Northwest Baptist Church love them, but that more importantly, God loves them!
- Donations: If you would like to make a donation to help with the cost of this outreach, please make your check out to NWBC and designate it for Back to School Bash.

UPCOMING MISSION ACTION PROJECTS

Christmas In July

The girls are collecting school supplies for needy children. Please help! Look for school supplies on sale in July and purchase items that can be used in school bags. Look for the school supplies lists in the stores and purchase the backpacks and supplies to fill them. Donations are also helpful. Please make your donations out to NWBC and designate them for Christmas in July.

In August

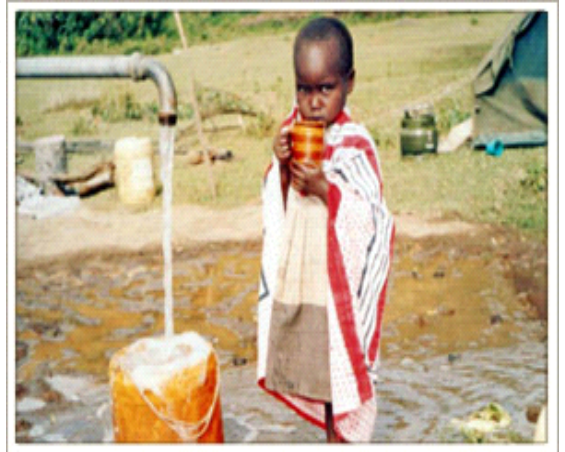

Pure Water, Pure Love

The most basic of physical needs—water. Yet so many around the world do not have access to clean, safe drinking water. The goal of this mission project is to provide missionaries and the people they serve with clean drinking water, free from disease-causing microorganisms, at no cost to them. You can help.

The GA's will be collecting pennies for

PURE LOVE, PURE WATER.

Please bring your pennies to help fill our water bottle. Look for the bottle on the table in the foyer. What a simple, but extremely important way, to help missionaries, their families, and the people they serve.

If you would like to make a donation, please make your checks out to NWBC and designate them for PURE LOVE, PURE WATER.
